STARTING A BUSINESS? WE CAN HELP.

Recessions can be an ideal time to launch a business. General Electric Co., Hewlett-Packard Development Company, FedEx Corp. and Microsoft Corp. are just a few examples of companies that started during a recession. Adversity can bring out qualities that an entrepreneur will need in order to succeed, such as fortitude, planning and perseverance.

Corporation

- Call (952) 432-3136
- **Price: \$495***

At Severson Sheldon, we understand that although the current economic climate may present opportunities to start a company, it may be difficult to fund a start-up. Because of this, we are offering to help you form a new corporation or limited liability company in Minnesota for a **flat fee of \$495.00***. We are also offering reduced fees for preparing other related business documents and agreements. We will offer these reduced rates through April 15, 2010.
